Dear Parents,

**LEADERS:**

Today I attended the Clontarf High School Leaders Investiture. This occurs in term 3 at Clontarf, with their leaders from Semester 2 in 2013, handing over leadership to the new Captains. The new Captains take over from today through to semester 2, 2015.

I was very pleased to witness Emma Holden, a past student of Herc Rd, appointed as Vice School Captain. Emma takes over from Emma-Leigh Jordan and Kate Walker (also our past students) as they vacate School Captain and Vice School Captain positions at Clontarf High.

Once I have a list of other positions gained by our past students, I will pass them on.

**ENROLMENTS:**

A reminder that in 2015 we are not permitted to have more than 900 students (we currently have 915). Recently we have had a number of enrolments for 2015 so now have fewer than 90 positions available for 2015.

Consequently,
- If you will be moving from our school at the end of this year (other than current Year 6 and 7 students), please advise us ASAP so we can offer these positions to other families wishing to enrol here for 2015.
- If you have children who you wish to attend Herc Rd in 2015 but have not submitted enrolment forms yet, please fill them in as soon as possible and send them to school.
- We will be accepting enrolments from all suburbs until we reach 885 students. After that, only families who live in our catchment area will be able to get into Herc Rd automatically – other families will go on a waiting list.

**OPEN SESSION:**

This is an opportunity for parents who are unfamiliar with our school to come and have a tour to see what we do at Herc Rd to ‘make the difference’. This will be held on Wednesday 20 August commencing at 8.00am until 10.30am. Please give us a call if you would like to attend. All are welcome.

**SUNGLASSES:**

I’ve had some enquiries about students wearing sunglasses when in the grounds. This is fine provided:
1. The sunglasses meet Australian Standards (sunglasses that do not meet this standard can cause damage to eyes)
2. ‘Mirror’ lenses are not permitted unless a letter is received from a medical practitioner detailing that they are the only option
3. Fluoro frames are not permitted unless a letter is received from a medical practitioner detailing that they are the only option
4. Responsibility for wearing and caring for the glasses is the responsibility of the student.
